

# EVAPCO FOR LIFE

Heat Transfer Innovations for a Better World

EVAPCO ASIA • PACIFIC

Since 1976

An Employee-Owned Company

Commercial HVAC | Process Cooling

Industrial Refrigeration | Power | Data Center

## Welcome to EVAPCO...

What makes EVAPCO different and better than any other manufacturer in the commercial HVAC, Industrial Refrigeration, Power Generation, and Industrial Processing markets? In the end, the answers all point back to our team: the EVAPCO family, of which you are a vital part.

EVAPCO employees are fiercely loyal to each other, to our representatives, and most importantly, to the people they serve. We recognize that our customers are at the center of our success, and we never take for granted the level of trust that you put in us when it comes to your heat transfer needs.

Therefore, we demand excellence in everything that we do. We're here to make your job easier, to be your partner, and to exceed your expectations. EVAPCO for Life, our tagline, sums up this commitment. It is our promise that we will always provide you with the most innovative and most reliable products, created and built by the best people in the industry. By choosing EVAPCO, you're letting us know that we're doing the best job possible for you.

We want to thank you, not only for your business, but for inspiring our message. By working together with you, EVAPCO has been able to consistently breed a level of innovation, craftsmanship, and professionalism that our competitors find difficult to match! We couldn't do it without you!

Very sincerely yours,

A handwritten signature in black ink that reads "William G. Bartley". The signature is fluid and cursive, with a large, stylized "B" at the end.

William G. Bartley  
President and CEO

## Get to Know EVAPCO

Since its founding in 1976, EVAPCO, Incorporated has become an industry leader in the engineering and manufacturing of quality heat transfer products around the world. EVAPCO's mission is to provide first class service and quality products for the following markets:

- Industrial Refrigeration
- Commercial HVAC
- Industrial Process
- Power
- Data Center

## EVAPCO is more than a name.

It's a pledge to make everyday life easier, more comfortable, more reliable, and more sustainable for people everywhere. How do we fulfill that promise? It's simple.

### We never stop innovating.

At EVAPCO, we don't just talk about innovation, it's ingrained in our workflow. Guided by our annually developed R&D plans, we set out to find groundbreaking solutions that transform the way the world works for the better. It's why we have more than 500 active patents worldwide.

### We craft exceptionally built solutions.

As an employee-owned company, we take pride in our work. We are proud to be one of the most experienced teams of engineers and craftsmen in the industry. This translates into solutions that are always exceptionally built. EVAPCO has an unwavering commitment to provide "best in class" heat transfer solutions and services.

### We guarantee performance.

Every EVAPCO solution is put through rigorous research and testing to ensure maximum efficiency and reliability. But we don't stop there. EVAPCO is an industry leader in independent, third-party performance certifications. These certifications guarantee our performance metrics—so that you can plan your projects with complete peace of mind.

### We protect the environment.

Innovation and environmental sustainability go hand-in-hand at EVAPCO. Our industrial heat transfer equipment not only conserves natural resources and helps reduce noise pollution, but also feature recycled steel content in construction. EVAPCO's stainless steel units manufactured in US are constructed of panels that contain up to 65% of recycled content, and our galvanized units contain over 79%. From sound reduction to water conservation to chemical elimination, we are continuously developing new technologies that deliver the ultimate operating advantages to our clients—while protecting the planet for every generation to come.

EVAPCO, Incorporated has been a leading manufacturer of cooling towers, closed circuit coolers, thermal storage ice coils and evaporative condensers in China since 1995. In 2006, EVAPCO announced the opening of a new company, **EVAPCO (Shanghai) Refrigeration Equipment Company, Ltd.** and the completion of a new Asia/Pacific Headquarters and State-of-the-Art Manufacturing Facility located in the Baoshan District of Shanghai.

EVAPCO (Shanghai) Refrigeration Equipment Company, Ltd. is a testimony to the company's commitment to providing the highest quality products and first class-service to clients throughout China and the Asia/Pacific markets. The manufacturing operation is ISO 9001 and ISO 14001 Certified, using processes and materials which enable EVAPCO to produce equipment which are Cooling Technology Institute (CTI) and Factory Mutual (FM) Approved. EVAPCO Shanghai is also authorized to manufacture and repair equipment in accordance with ASME Boiler and Pressure Vessel Code.

EVAPCO Asia/Pacific also has a manufacturing facility located in Beijing: EVAPCO (Beijing) Refrigeration Equipment Company, Ltd. to provide quality products in the northern regions of China. EVAPCO Asia/Pacific products are installed in cooling and refrigeration systems throughout the region in the following markets:

- Commercial Air-Conditioning
- Industrial Refrigeration
- Industrial Process
- District Cooling-Thermal Storage
- Power
- Data Center

Beijing
